

## Please fix this declaration outside the packaging

### Return Shipment / Declaration of Decontamination

Our intention is to offer quick and specified service as well as to protect the health of our staff. We therefore kindly ask for your understanding that we can only accept the return of our units and their corresponding accessories for repair, service or calibration with this declaration completely filled in. If this declaration is missing, we reserve the right to refuse acceptance and to return the delivery *at the cost of the sender*.
